Dear Parent or Guardian:

We are pleased to inform you that *Oro Grande School District* will be continuing to participate in the National School Lunch and School Breakfast Programs called the Community Eligibility Provision (CEP) for **2021/2022** School Year.

Schools that participate in the CEP are able to provide healthy breakfasts **and** lunches each day at no charge for **all** students enrolled in Oro Grande School District during the 2021-2022 School Year.

Since meal applications will no longer be required, an education benefit form is needed. The information gathered on this form allows us to provide a wide variety of educational programs to all students. The Educational Benefit form was shared through your student's enrollment packet. We are asking that all families complete this form. If you have not completed this form, please contact your school's front office or center.

If we can be of any further assistance regarding the CEP or meal program, please contact us at **760-243-5884 EXT 110**.

Sincerely,

Lani Izumi
