Each Bid must conform and be responsive to the Contract Documents.
11. Competency of Bidders: In selecting the lowest responsible Bidder, consideration will be given not only to the financial standing but also to the general competency of Bidder for the performance of the work or the supply of equipment and/or supplies covered by the Bid. By submitting a Bid, each Bidder agrees that DISTRICT, in determining the successful Bidder and its eligibility for the award, may consider Bidder's experience and facilities, conduct and performance under other contracts, financial condition, reputation in the industry, and other factors which could affect Bidder's performance of the work or the supply of equipment and/or supplies. To this end, each Bid shall be supported by a completed and pre-approved pre-qualification packet. Packets shall be completed online and will be accepted on or before the time set forth in the Notice to Bidders. In addition, DISTRICT may conduct such investigations as DISTRICT deems necessary to assist in the evaluation of any Bid and to establish the responsibility, qualifications and financial ability of Bidder to do the work and/or supply equipment and/or supplies in accordance with the Contract Documents to DISTRICT's satisfaction within the prescribed time; and DISTRICT reserves the right to reject the Bid of any Bidder who does not pass any such evaluation to the satisfaction of DISTRICT. Anti-Discrimination: It is the policy of DISTRICT that in connection with all work performed under contracts, there be no discrimination against any prospective or active employee engaged in the work because of race, color, ancestry, national origin, religious creed, sex, age, physical disability, mental disability, medical condition, or marital status. Bidder agrees to comply with applicable federal and California laws including, but not limited to, the California Fair Employment and Housing Act, beginning with Government Code section 12900, and Labor Code section 1735.
13. Hold Harmless: Bidder shall indemnify and hold harmless DISTRICT, its officers, agents, and employees from every claim or demand made, and every liability, loss, damage, or expense, of any nature whatsoever, which may be incurred by reason of:
  - 13.1. Liability for damages for (1) death or bodily injury to persons; (2) injury to, loss or theft of property; or (3) any other loss, damage or expense arising under either (1) or (2) above, sustained by Bidder or any person, firm or corporation employed by Bidder upon or in connection with the work and/or delivery of equipment and/or supplies called for in the Agreement, except for liability resulting from the sole

- negligence, or willful misconduct of DISTRICT, its officers, employees, agents or independent Vendors who are directly employed by DISTRICT.
- 13.2. Any injury to or death of persons or damage to property caused by any act, neglect, default or omission of Bidder, or any person, firm, or corporation employed by Bidder, either directly or by independent contract, including all damages due to loss or theft, sustained by any person, firm or corporation, including DISTRICT, arising out of, or in any way connected with the work and/or delivery of equipment and/or supplies covered by the Agreement, whether said injury or damage occurs either on or off DISTRICT property, if the liability arose from the negligence or willful misconduct of anyone employed by Bidder, either directly or by independent contract, and not by the active negligence of DISTRICT.
- 13.3. Any failure or alleged failure to comply with any provision of law or the Contract Documents.
- 13.4. Bidder, at Bidder's own expense, cost and risk shall defend any and all actions, suits, or other proceedings that may be brought or instituted against DISTRICT, its officers, agents or employees, or any such claim or liability, and shall pay or satisfy any judgment that may be rendered against DISTRICT, its officers, agents or employees in any action, suit or other proceedings as a result thereof.
14. Excise Taxes.
- 14.1. Bidder will pay all applicable federal, state and local taxes on all materials, labor, or services furnished by it; and all taxes arising out of its operations under the Contract Documents.
- 14.2. If under federal excise tax law any transaction hereunder constitutes a sale on which a federal excise tax is imposed and the sale is exempt from such excise tax because it is a sale to a state or local government for its exclusive use, DISTRICT, upon request, will execute documents necessary to show (1) that DISTRICT is a political subdivision of the State of California for the purposes of such exemption and (2) that the sale is for the exclusive use of DISTRICT. No excise tax for such materials shall be included in any Bid price.
15. Sales Tax: Bidder shall include San Bernardino County, California sales tax in its Bid (7.75%) as outlined on the Bid Form.
16. Delivery Charges: Bids must be priced F.O.B. destination unless the Contract Documents invite quotations for delivery and freight to be set apart or as separate cost items.
17. Status of Bidder: Bidder is, and shall at all times be deemed to be, an independent Vendor and shall be wholly responsible for the manner in which it performs the work or services required of it by the terms of the Agreement. Nothing herein contained shall be construed as creating the relationship of employer and employee, or principal and agent, between DISTRICT and Bidder or any of Bidder's agents or employees. Bidder assumes exclusively the responsibility for the acts of its employees as they relate to the work or services to be provided during the course and scope of their employment. Bidder, its agents and employees shall not be entitled to any rights or privileges of DISTRICT employees and shall not be considered in any manner to be DISTRICT employees. DISTRICT shall be permitted to monitor the activities of the Bidder to determine compliance with the terms of the Agreement.
18. Prohibited Interests: No DISTRICT official who is authorized in such capacity and on behalf of DISTRICT to negotiate, make, accept, or approve, or to take part in negotiating, making, accepting or approving the Contract, shall become directly or indirectly interested financially in the Contract or in any part thereof. Bidder shall receive no compensation and shall repay DISTRICT for any compensation received by Bidder hereunder, should Bidder aid, abet or knowingly participate in violation of this section.

19. District's Right to Terminate Contract:

19.1. Termination for Cause: If Bidder refuses or fails to deliver the equipment or supplies with such diligence as will insure its complete delivery within the time specified or any extension thereof, or if Bidder should be adjudged bankrupt, or if Bidder should make a general assignment for the benefit of its creditors, or if a receiver should be appointed on account of its insolvency, or if it should persistently or repeatedly refuse or should fail, except in cases for which extension of time is provided, to perform work or deliver equipment and/or supplies as to ensure complete delivery within the time specified, or if Bidder persistently disregards laws, ordinances or instructions of DISTRICT, or if Bidder should otherwise be guilty of a substantial violation of any provision of the Agreement, then Bidder shall be deemed to be in default of the Agreement and DISTRICT may, without prejudice to any other right or remedy, serve written notice upon Bidder of DISTRICT's intention to terminate the Agreement. The notice shall contain the reasons for such intention to terminate, and unless within ten (10) days after the service of such notice such condition shall cease or such violation shall cease and arrangements satisfactory to DISTRICT for the correction thereof be made, the Agreement shall upon the expiration of said ten (10) days, cease and terminate. In such case, Bidder shall not be entitled to receive any further payment until performance is completed.

19.1.1. In the event of any such termination, DISTRICT shall immediately serve written notice thereof upon surety and Bidder, and surety shall have the right to take over and perform the Agreement, provided, however, that if surety within seven (7) days after service upon it of said notice of termination does not give DISTRICT written notice of its intention to take over and perform the Agreement or does not commence performance thereof within fifteen (15) days from date of serving such notice of termination by DISTRICT on surety, DISTRICT may take over the work and prosecute same to completion by contract or by any other method it may deem advisable for the account and at the expense of Bidder. Bidder and its surety shall be liable to DISTRICT for any excess cost or other damages occasioned DISTRICT thereby. Time is of the essence in the Agreement. If DISTRICT takes over the work as hereinabove provided, DISTRICT may, without liability for so doing, take possession of and utilize in completing the work such materials, appliances, plant, and other property belonging to Bidder as may be on the site of the work and necessary therefor.

19.1.1.1. If the unpaid balance of the Contract price shall exceed the expense of completing performance under the Agreement, including compensation for additional services, such excess shall be paid to Bidder. If such expense shall exceed such unpaid balance, Bidder shall pay the difference to DISTRICT.

19.2. Termination for Convenience: DISTRICT may, at any time, terminate the Contract for DISTRICT's convenience and without cause. Upon receipt of written notice from DISTRICT of such termination for DISTRICT's convenience, Bidder shall:

19.2.1. Cease operations as directed by DISTRICT in the notice;

19.2.2. Take actions necessary, or that DISTRICT may direct, for the protection and preservation of the work; and

19.2.3. Not terminate any insurance provisions required by the Contract Documents.

19.2.4. In case of such termination for DISTRICT's convenience, Bidder shall be entitled to receive payment from DISTRICT for work executed and for proven

loss with respect to materials, equipment, tools, and construction equipment and machinery, including overhead and profit for that portion of the work completed, and reasonable proven damages.

19.2.5. The foregoing provisions are in addition to and not in limitation of any other rights or remedies available to DISTRICT.

20. Substitution for Specified Items: Whenever any material, process, or article is indicated or specified by grade, patent, or proprietary name or by name of manufacturer, such specification shall be deemed to be used for the purpose of facilitating the description of the material, process or article desired and shall be deemed to be followed by the words “or equal,” and Bidder may, under the provisions of Public Contract Code section 3400, unless otherwise stated, offer any material, process, or article which shall be substantially equal or better in every respect to that so indicated or specified. If the material, process or article offered by Bidder is not, in the opinion of DISTRICT, substantially equal or better in every respect to that specified, then Bidder shall furnish the material, process, or article specified.
- 20.1. With respect to major equipment or material items listed in the bid, unless Bidder clearly indicates in its Bid that it is proposing to use an “equal” product, its Bid shall be considered as offering a product referred to by the brand name specified for the equipment or material items listed in the bid. The brand name, if any, of the proposed substitute product shall be inserted in the space provided in the Bid Proposal. The awarding of the Contract to a Bidder who has indicated in its Bid that it is proposing to use an “equal” product shall not constitute an admission by DISTRICT of the equality of that product. It is expressly understood and agreed by Bidder that, in so awarding the Contract, DISTRICT reserves the right to reject any such proposed substituted product. It is further expressly understood and agreed by Bidder that in the event DISTRICT rejects a proposed “equal” product, Bidder will then supply either a product designated by brand name in the specifications or a substitute therefore which meets with the approval of DISTRICT.
- 20.2. With respect to all proposed substitutions of “equal” products, both items of equipment and that of any materials, process, or article specified in the Contract Documents, no substitutions shall be made until approved, in writing, by DISTRICT. The burden of proof as to equality of major equipment or any material, process, or article shall rest with Bidder. Bidder shall submit with its Bid any request for substitution, together with complete manufacturer’s catalogs, brochures, drawings, samples, certified copies of test reports and other substantiating data for substitution of an “or equal” item. In this regard, Bidder should note that DISTRICT is not responsible for locating or securing any information which is not included in such substantiating data. The provisions included in this section authorizing submission of “or equal” justification data shall not in any way authorize an extension of time for performance of the Agreement. Unless extended by mutual agreement of the parties, DISTRICT shall notify the Bidder of its decision concerning the proposed substitution of “equal” items within five (5) days after the Contract has been awarded. Such a decision shall be final and conclusive.
- 20.3. The time limitations contained in this section shall be complied with strictly. Should Bidder fail to request the substitution of an alternative item at the times and in the manner set forth herein, the Bid submitted by Bidder shall be considered as offering the product(s) referred to by the brand name(s) specified for the equipment or material, process or article listed in the Contract Documents.
- 20.4. In the event that Bidder furnishes equipment, supplies or materials more expensive than that specified, the difference in cost of such equipment, supplies or materials so furnished shall be borne by the Bidder.

- 20.5. By making requests for substitutions, Bidder:
- 20.5.1. represents that Bidder has personally investigated the proposed substitute product and determined that it is equal or superior in all respects to that specified;
  - 20.5.2. represents that Bidder will provide the same warranty for the substitution that Bidder would for that specified;
  - 20.5.3. certifies that the cost data presented is complete and includes all related costs under the Agreement except DISTRICT's costs, and waives all claims for additional costs related to the substitution which subsequently become apparent;
  - 20.5.4. will coordinate the installation of the accepted substitute, making such changes as may be required for completing performance under the Agreement in all respects.
21. Delivery of Equipment and/or Supplies: All work required by the Contract Documents must be completed within the time limits set forth in the Notice Inviting Bids. Should Bidder fail to complete all such work in a timely manner, Bidder shall be deemed to be in default and DISTRICT may avail itself of any or all legal or equitable remedies.
22. Patents, Royalties, and Indemnities: Bidder shall hold and save DISTRICT and its officers, agents, and employees harmless from liability of any nature or kind, including cost and expense, for or on account of any patented or unpatented invention, process, article, or appliance manufactured or used in the performance of the Contract, including its use by DISTRICT, unless otherwise specifically provided in the Contract Documents, and unless such liability arises from the sole negligence, or active negligence, or willful misconduct of DISTRICT or its officers, agents, or employees.
23. Bidder Claims: If Bidder shall claim compensation for any damage sustained by reason of the acts of DISTRICT or its agents, Bidder shall, within five (5) days after sustaining such damage, make to DISTRICT a written statement of the damage sustained. On or before the fifteenth (15th) day of the month succeeding that in which such damage shall have been sustained, Bidder shall file with DISTRICT an itemized statement of the details and amount of such damage, and unless such statement shall have been made as thus required, Bidder's claims for compensation shall be forfeited and invalidated and it shall not be entitled to consideration for payment on account of any such damage.
24. Non-Conforming Equipment and Supplies: Bidder shall promptly remove from the premises all equipment or supplies delivered by Bidder and identified by DISTRICT as failing to conform to the Contract, whether incorporated or not. Bidder shall promptly replace the non-conforming equipment and supplies to comply with the Contract Documents without additional expense to DISTRICT and shall bear the expense of making good all property destroyed or damaged by such removal or replacement.
- 24.1. If Bidder does not remove such equipment or supplies within a reasonable time, fixed by written notice, DISTRICT may remove it and store the material at Bidder's expense. If Bidder does not pay the expenses of such removal within ten (10) days thereafter, DISTRICT may, upon ten (10) days written notice, sell such materials at auction or at private sale and shall account for the net proceeds thereof, after deducting all costs and expenses that should have been borne by the Bidder.
25. Notice and Service Thereof: Any notice from one party to the other or otherwise under the Contract shall be in writing and shall be dated and signed by the party giving such notice or by a duly authorized representative of such party. Any such notice shall not be effective for any purpose whatsoever unless served in one of the following manners:
- 25.1. If notice is given to DISTRICT, by personal delivery thereof to DISTRICT or by depositing same in the United States mail, enclosed in a sealed envelope addressed

- to DISTRICT, and sent by registered or certified mail with postage prepaid;
- 25.2. If notice is given to Bidder, by personal delivery thereof to said Bidder or by depositing same in the United States mail, enclosed in a sealed envelope addressed to said Bidder at its regular place of business or at such other address as may have been established for the conduct of work under the Contract, and sent by registered or certified mail with postage prepaid; or
- 25.3. If notice is given to surety or other persons, by personal delivery to such surety or other person or by depositing same in the United States mail, enclosed in a sealed envelope, addressed to such surety or person at the address of such surety or person last communicated by surety or other person to party giving notice, and sent by registered or certified mail with postage prepaid.
26. No Assignment: Bidder shall not assign, transfer, convey, sublet or otherwise dispose of the Contract or of its rights, obligations, title or interest in or to the same or any part thereof, without the previous written consent of DISTRICT; and Bidder shall not assign, by power of attorney or otherwise, any of the monies to become due and payable under the Contract unless by and with the like consent signified in like manner. If Bidder shall, without previous written consent, assign, transfer, convey, sublet or otherwise dispose of the Contract or its rights, obligations, title or interest therein, or of any of the monies to become due under the Contract, to any other person, company, or other corporation, such attempted or purported assignment, transfer, conveyance, sublease or other disposition shall be null, void and of no legal effect whatsoever; and the Contract may, at the option of DISTRICT, be terminated, revoked and annulled, and DISTRICT shall thereupon be relieved and discharged from any and all liability and obligations growing out of the same to Bidder, and to its purported assignee or transferee. No right under the Contract, nor any right to any money to become due hereunder, shall be asserted against DISTRICT in law or equity by reason of any purported assignment of the Contract, or any part thereof, or by reason of the purported assignment of any monies to become due hereunder, unless authorized as set forth herein by written consent of DISTRICT. Any assignment of money due or to become due under the Contract shall be subject to a prior lien for services rendered or material supplied for performance of work called for under the Contract in favor of all persons, firms or corporations rendering such services or supplying such materials to the extent that the claims are filed pursuant to the Civil Code, Government Code and/or Code of Civil Procedure and shall also be subject to withholding of payments as determined by DISTRICT in accordance with the Contract.
27. No Waiver: The failure of DISTRICT in any one or more instances to insist upon strict performance of any of the terms of the Agreement or to exercise any option herein conferred shall not be construed as a waiver or relinquishment to any extent of the right to assert or rely upon any such terms or option on any future occasion.
28. Bid Protest. Any bid protest by any Bidder regarding any other bid must be submitted in writing to the District, before 5:00 p.m. of the THIRD (3rd) business day following bid opening.
- 28.1. Only a Bidder who has actually submitted a bid, and who could be awarded the Contract if the bid protest is upheld, is eligible to submit a bid protest. A Bidder may not rely on the bid protest submitted by another Bidder.
- 28.2. A bid protest must contain a complete statement of any and all bases for the protest and all supporting documentation. Materials submitted after the bid protest deadline will not be considered.
- 28.3. The protest must refer to the specific portions of all documents that form the basis for the protest.
- 28.3.1. Without limitation to any other basis for protest, an inadvertent error in

listing the California Vendor's license number on the Designated SubVendors List shall not be grounds for filing a bid protest or grounds for considering the bid non responsive if the correct Vendor's license number is submitted to the District within 24 hours after the bid opening and the corrected number corresponds with the submitted name and location for that subVendor.

- 28.3.2. Without limitation to any other basis for protest, an inadvertent error listing an unregistered sub Vendor shall not be grounds for filing a bid protest or grounds for considering the bid non responsive provided that any of the following apply:
  - 28.3.2.1. The sub Vendor is registered prior to the bid opening.
  - 28.3.2.2. The sub Vendor is registered and has paid the penalty registration fee within 24 hours after the bid opening.
  - 28.3.2.3. The sub Vendor is replaced by another registered sub Vendor pursuant to Public Contract Code section 4107.
- 28.3.3. The protest must include the name, address and telephone number of the person representing the protesting party.
- 28.3.4.
